620 SOUTH ELM STREET

A 100-year-old landmark of Greensboro's rich textiles history, The Gateway has been preserved with the best of its architectural character intact.

Find ample parking at the building's entrance and abundant overflow parking nearby.

Landscaped grounds complement The Gateway's neo-industrial architecture.

620 SOUTH ELM STREET

The Gateway retains the striking character of its former life as a denim mill while its interior has been entirely upfitted with modern comforts and technology.

Expansive north-south facing windows supply natural light and grand views of downtown Greensboro.
